

REPRESENTING NEKUTLI

Private Label Cereals

Organic, high-protein cereals built for your brand

Fair-Trade Organic • USDA Organic • SMETA • Gluten-Free • Non-GMO • Clean Label

Who Is Nekutli

A Mexican cooperative crafting organic functional foods since 2002 — rooted in fair trade, ethical sourcing and community.

2002

Founded

150+

Partner farmers

144

Indigenous members · 96
women

14+

Export markets

Fair Trade

Fair prices that support a dignified livelihood for farming families.

Organic Agriculture

Certified organic — no synthetic chemicals or artificial inputs, ever.

Community Development

Income reinvested in housing, education and health for communities.

Research & Development

RENIECYT member; owns two patented agave prebiotics — Metlin & Metlos.

Certifications & Ethical Compliance

SMETA

FEATURED STANDARD

SMETA

Sedex Members Ethical Trade Audit

Independently audited across the four pillars — labour standards, health & safety, environment and business ethics. The responsible-sourcing benchmark trusted by US retailers.

FSSC 22000

Food safety management system

USDA Organic

Certified organic ingredients

Gluten-Free (GFCO)

Verified below 20 ppm gluten

Non-GMO

No genetically modified inputs

Fair Trade

Equitable pricing for producers

Intertek

Independent quality assurance

Private-Label Capabilities

We develop your brand end-to-end — from formulation to a packed pallet ready for export.

1

Brief & Formulate

We tailor recipes to your nutrition, flavor and label targets.

2

Certify

Organic, Gluten-Free, Non-GMO and SMETA-audited supply chain.

3

Produce

Made at Nektuli's Jalisco plant — just 45 days after your PO.

4

Export

Logistics and documentation for the US and 14+ markets.

45-Day Lead Time

From purchase order to finished, packed product.

Animal or Plant Protein

Whey/milk isolate — or 100% vegan pea & soy versions.

Clean-Label Platform

Organic, gluten-free, non-GMO; no artificial additives.

The Cereal Range

High-protein, clean-label cereals — 2-5× the protein of mainstream brands.
