

Incremental Produce Attachment Platform for Hispanic Family Growth

Built to drive fruit attachment, impulse, and repeat.

What Is Se Me Chispotío?

A nostalgic Mexican chamoy & chili seasoning that turns everyday fruit and snacks into an experience.

What It Is

- A sweet-salty-spicy chamoy and chili powder you sprinkle on almost anything
- Barrel-shaped package homages the classic series El Chavo del Ocho
- Makes a playful sound when shaken — a nod to the “Chipote chillón”
- Made in Mexico: chili (guajillo, pasilla, arbol), salt, citric acid, fruit chamoy flavor
- Available in 6 oz (US) / 170g shake-top packs

How to Use It

- Fresh fruit — mango, watermelon, pineapple, cucumber, melons
- Snacks — chips, popcorn, peanuts, and candy
- Veggies and street-style elotes
- Drinks — micheladas, chamoy cocktails, and aguas frescas
- Desserts and party platters for gatherings

Five Kid-Loved Flavors

Classic Chili-Lime

Chili-Watermelon

Chili-Mango

Chili-Jamaica

Chamoy Tamarindo

How SMC Drives Incremental Produce Growth with Hispanic Families

More fruit attachment. More family engagement. More repeat trips.

Consumer Interruption

El Chavo is an instantly recognizable Hispanic character platform that helps capture attention and drive discovery in Produce.

Consumer Interaction

A patented sound-making package creates an interactive moment that engages kids, drives trial, and supports repeat purchase.

Consumer Excitement

Five kid-friendly flavors with iconic characters help turn fruit into a requested snack and support higher at-home fruit consumption.

Consumer Impulse

Collectible elements drive impulse pickup and support repeat purchase among Hispanic families.

El Chavo del Ocho

A Multi-Generational Hispanic Icon That Drives Recognition

Why It Matters

Emotional Connection → Purchase Intent^{*2}

Emotional connection supports trial.

Proven Shelf Disruption^{*1}

Instant recognition improves shelf visibility.

Bridge Between Generations^{*3}

Nostalgia connects parents while collectability engages kids.

Helps turn SMC into more than a seasoning — a broader family-driven platform.

Se Me Chispotío — Built for Produce Attachment

Built for Produce attachment and Hispanic family engagement

Powerful License

El Chavo drives instant recognition, emotional connection, and in-store engagement with Hispanic families.

Fruit-First Flavor Profile

Kid-friendly flavors pair naturally with fresh fruit, supporting repeat usage and produce attachment.

Drives Incremental Sales

A simple add-on that makes fruit more appealing for kids — lifting produce attachment, repeat purchase, and retailer sales.

Why It Wins at Shelf

+42%^{*1}

Hispanic families over-index in chili & lime seasoning purchases

2x^{*2}

more likely kids try fruit when paired with a flavored seasoning

+18%^{*4}

YoY growth in seasonings used on fresh fruit in Hispanic households

A Kid-Driven Lineup Built to Drive Rotation and Repeat in Produce

Patented Sound Packaging That Drives Trial and Differentiation

Internal mechanism that produces patented sound effect when shaken

Patented Interactive Packaging

- Patented sound making seasoning package
- Protected by U.S. patent
- Exclusive feature that differentiates SMC from traditional seasoning items

Drives Kid Engagement

- Sound interaction turns the bottle into a play moment
- Kids shake it, engage with it, and ask for it
- Interaction supports repeat purchase

Increases In-Store Attention

- Audible cue helps draw attention in aisle
- Encourages pickup and trial
- Differentiates from traditional commodity seasonings

Supports Premium Pricing

- Defensible IP helps protect against copycats
- Supports category trade up
- Creates a destination item, not a replaceable SKU

S.O. BELT ABOUT THE WORLD

Why SMC Resonates With Hispanic Families

Need State: Many children do not consume enough fruit regularly, creating an opportunity for products that make fruit more exciting and easier to request.*1

SMC Solution: A fruit-first seasoning designed to make fresh fruit more fun for kids through characters, sound, and play.

Consumer Target

- 64M+ Hispanics in the U.S.
- Family-centric shopping patterns:
- Over-index in Fresh Produce occasions
- Multigenerational households support shared discovery and repeat

*1 USDA + CDC: Healthy Eating Index (HEI) Scores by Ethnicity

Why SMC Wins With Hispanic Families

- Recognizable characters drive emotional connection⁷
- Fruit and seasoning is already a familiar occasion
- Playful interaction increases excitement and repeat use
- Cultural relevance supports trust with parents

Why SMC Wins for Retailers

- Supports Produce attachment and incremental fruit sales
- Creates cross sell opportunities into Hispanic grocery and impulse
- Improves shelf visibility through licensing and interaction
- Bridges nostalgia, family engagement, & healthy eating

Purpose Built for Kids and Produce

How SMC fills the white space vs. Tajín and Miguelito

Differentiator	Tajin	Se Me Chispotio	Miguelito
Size	5 oz	6 oz	34 oz
Cultural Licensing	✗ None	✓ El Chavo del Ocho (50+ yrs)	✗ None

Collectible Format	✗ None	✓ Toy caps with characters	✗ None
No Artificial Colors	✓ Zero artificial colors	✓ Zero artificial colors	✗ Contains artificial colors
Sugar Content (kid-friendly)	✗ No sugar (savory)	✓ Balanced sweetness across the lineup, excluding Chili and Lime	⚠ High sugar (candy)
Toy Cap Functionality	✗ Standard cap	✓ Reusable toy cap	✗ Standard cap
Cross-Aisle Placement	✗ 3 aisles (Spice, Hispanic, Produce)	✓ 4 aisles (Produce, Hispanic, Snacks, Candy, spice)	✗ 1 aisle (Candy only)
Brand Nostalgia	✗ Ingredient led brand	✓ Multi-generational icon	✗ Generic
Increases Fruit Consumption	⚠ Multi-use seasoning	✓ Purpose-built for fruit	✗ Limited emotional connection

How SMC Converts Nostalgia Into Produce Attachment

1 Recognition

El Chavo characters create instant familiarity and shelf-stopping power with parents.

2 Engagement

Interactive packaging and playful flavor cues drive pickup, curiosity, and kid excitement.

3 Conversion

Fruit becomes a more requested snack, supporting produce attachment and incremental sales.

How It Works

- Emotional recognition shifts shoppers from routine fruit buying to discovery
- Interactive packaging triggers impulse and engagement
- Parents see SMC as an experience, not just a seasoning

Triggering Nostalgia at Shelf to Drive Trial and Fruit Consumption

A full-funnel program that starts on social media and ends in the produce aisle — doubling the touchpoints that matter for Hispanic families.

1 Engaging Shoppers Where They Scroll

Social Media Targeting (FB / IG / TikTok)

- Thumb-stopping content featuring El Chavo nostalgia cues
- Mobile-first videos highlighting fruit pairing (mangos, watermelon, cucumbers)
- Simple CTA: “Búscalo hoy en tu tienda” to drive store intent
- High engagement with Hispanic moms and younger TikTok snack explorers

2 Reaching the Right Audiences

Who We Target

- Hispanic moms 25–45: family-oriented, fruit-forward shoppers
- Teens & young adults 13–24: TikTok flavor-trend seekers
- Multigenerational households: El Chavo resonates across generations
- Foodies & health-conscious shoppers seeking flavorful add-ons

3 Converting Awareness Into Basket Growth

In-Store Activation

- Secondary displays near cut fruit, mangos, watermelon
- Cross-merchandising in Produce & Hispanic aisle
- Sampling & demos reinforce fruit-pairing occasions
- Incremental fruit sales — SMC makes fruit more fun & flavorful
- Higher household penetration via nostalgia + kid-requested product

Next Steps: Let's Bring SMC to Your Shelves

A clear path from evaluation to shelf

1

Align on the Opportunity

Confirm fit for your Produce set and review category and shopper data together.

2

Authorize a Test

Select banners and store count for an initial in-aisle pilot with display support.

3

Set the Launch Plan

Lock timing, merchandising, and the social-to-shelf activation for rollout.

SMOOTHIE MANGO HANDLE

INGREDIENTS:

- 2 handles
- 10 strawberries
- 3 tbsp. SE ME CHISPOTIO®
- 1 cup of ice
- 3 tbsp. of sugar
- Chamoy sauce

PREPARATION

1. Add to the blender: ice, mangoes, water and sugar. Blend slightly and stop the process to add SE ME CHISPOTIO®. Afterwards, finish blending. Repeat with the strawberries.
2. Place both mixtures proportionally in a glass.

To frost the glass:

- 2 tbsp. of SE ME CHISPOTIO® Classic Powder
- 2 tbsp. of chamoy sauce
- First dip the edge of the glass with Chamoy Sauce and then frost it with SE ME CHISPOTIO®. Serve and enjoy.
