

VITTORIA

FOOD & BEVERAGE

We've been in the food & beverage
business for over *75 years*

We are a Family Business

A proud Australian family business now in its third generation.

A privately held, family business with the scale to compete against the largest food companies in the world.

Australia's No. 1

Today Vittoria Coffee is Australia's No.1 Pure Coffee Brand*.

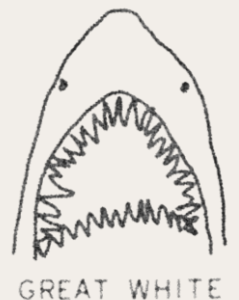

From humble beginnings in 1958, we've become synonymous with Australian coffee culture.

From supplying Sydney's first cafes and restaurants with our freshly roasted 100% Arabica coffees to driving the growth of cafe culture throughout the dynamic decades of the 1970s and 80s, we've played a pivotal role in pioneering Australia's famous coffee culture

A Proven Track Record

Whether your business is a household name or you're a small business, we blend the personal touch of a family-owned Australian business with the resources of a large, iconic household brand to help you succeed in today's dynamic market.

Leaders in Roasting & Innovation

We own and operate one of the the most advanced coffee roasting facilities in the Southern Hemisphere.

Our technologically advanced roasting facility allows for greater consistency and accuracy by monitoring moisture, colour and weight of each roast. We nitrogen flush all of our coffee for freshness.

Dedicated Brands

An exclusive partnership with one of Australia's largest retailers.

We recently collaborated via a joint crated brand in response to a private label tea tender. We developed an end-to-end product strategy from branding, packaging, sourcing, logistics, and marketing.

Now the #2 Tea Brand in Coles (Units, Mat).

Production Partnerships

Vittoria was the first and only brand to launch on Aldi's Expressi capsule system.
A partnership underpinned by local production of Expressi branded capsules.

CoCreate™

Introduction

What is CoCreate?

A collaboration with retailers to identify and capitalise on market opportunities through the **co-creation of brands** from concept to shelf.

We offer an end-to-end service model covering manufacturing, sourcing and brand building, or modular plug-ins across any part of the value chain.

We help retailers transform market opportunities into ready-to-sell brands in a fast-evolving FMCG landscape.

Track Record

CoCreate operates as a subsidiary of Vittoria Food & Beverage, leveraging **75 years of experience** in manufacturing, sourcing, importation, and brand building.

This deep-rooted expertise enables us to create and grow brands that resonate in competitive markets, leveraging a rich legacy of industry knowledge, a global network of trusted suppliers and proven operational excellence.

Turnkey Sourcing & Brand Development

We partner with retailers at every step, from raw material sourcing to brand creation and commercialisation.

Market Analysis

We assess market size, growth dynamics, and emerging trends to uncover opportunities and define the most effective positioning for the brand.

Brand Development

Our in-house creatives and partners will develop the brand assets, visuals, messaging, and marketing strategies to bring your vision to life.

Product sourcing & development

From concept to shelf, we can manage the entire process of product sourcing and development utilising our extensive global network of suppliers across almost every FMCG category.

Legal and regulatory

Our internal legal and regulatory team handles trademarks, registrations, and confidentiality agreements, safeguarding the new brand brand through its commercialisation process.

Go-to-market strategy

We help launch your product with campaigns across mass media, BTL, in-store activations, social media and publicity for a successful market entry.

Case Study - Coles

Queen Victoria Tea

Global Sourcing & Quality Assurance

Sourced premium tea leaves from renowned regions and conducted rigorous quality testing for outstanding taste. Setup dual supply model for risk mitigation around price and availability.

Distinctive Brand Identity & Packaging

Developed a Victorian-inspired visual identity and eye-catching packaging that stands out on shelves.

360° Launch & Marketing Support

Launched with TV ads, social media, PR outreach, and nationwide sampling to drive rapid awareness and growth.

Results

- From concept to #2 tea brand in Coles in 2 year
- Launched 26 SKUs in 6 months during COVID
- Fastest growing tea brand in Coles
- \$10m RSV in less than 2 years

Case Study - Aldi

Local Capsule Manufacturing

- ✓ Challenge: ALDI needed a cost-effective, high-quality solution for Expressi capsule coffee with secure, local supply.
- ✓ Solution: CoCreate established a **dedicated Australian capsule manufacturing facility**, backed by long-term capex agreements.
- ✓ Outcome: ALDI gained a sovereign, vertically integrated supply chain for a strategically important category—improving cost, availability, quality, and control.

Advantages of the CoCreate Model

- 1. Speed to Market** - Leverage our existing supplier network and manufacturing relationships to fast-track development. Retailers avoid lengthy sourcing, contracting, and onboarding processes.
- 2. Experts in Brand Building** - Drawing on VFB's 75-year history and success in building consumer-loved brands.
- 3. Maintain Strategic Focus** - Retailers can keep internal resources focused on core business (buying, merchandising, customer experience). CoCreate handles the complexity of NPD and supplier alignment.
- 4. Flexible & Agile** - Test small or scale big without heavy upfront investment.

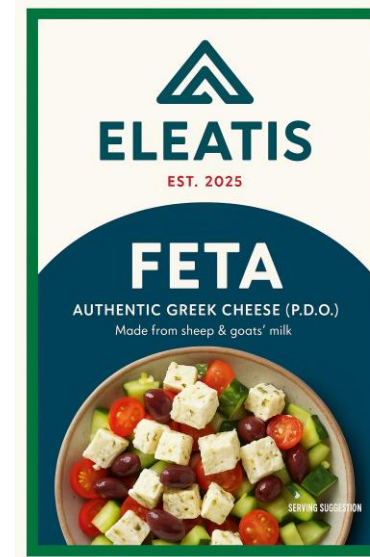

Opportunities across *almost* every category

With an extensive, trusted supplier network, CoCreate can deliver solutions across almost every aisle and category. From core staples to emerging trends, we partner with best-in-class suppliers to give retailers the flexibility to build winning, differentiated ranges.

Opportunities

Launch Challenger Brands

- Few dominant competitors
- High household penetration
- Price sensitive
- Differentiate through positioning, storytelling, or innovation (e.g., premiumisation, sustainability).

More Opportunities

Emerging, fast growing Category Creator Model

- Launch own brand into new categories where no brand equity exists
- Opportunity to own the category through first-mover advantage
- Market to early adopters
- Educate and build awareness

Concepts Only

CoCreate with us.
